**To the Citizens of Corinth, MS,**

I am honored to endorse **Chip Wood** for Mayor of Corinth. Chip is a leader of integrity, vision, and dedication, and I firmly believe he is the right person to guide your city forward.

I have had the privilege of knowing Chip for several years, dating back to his time at C Spire. Even then, his leadership qualities were evident—he approached every challenge with determination, sought innovative solutions, and inspired those around him to strive for excellence. His ability to bring people together, make tough decisions, and work toward a common goal set him apart as a true leader.

Chip's **commitment to excellence** is unmatched. Whether in business or public service, he consistently pushes for the best outcomes, never settling for mediocrity. His strong work ethic and passion for progress will ensure that Corinth thrives under his leadership.

But what truly makes Chip the best choice for mayor is his **deep-rooted commitment to serving his community**. He understands the needs of her citizens because he has always been one of us—listening, engaging, and working tirelessly to improve the lives of those around him. His vision for Corinth includes economic growth, improved infrastructure, and a safer, stronger city for all residents.

Strong Cities need a mayor who will lead with **honesty, accountability, and a servant's heart**. Chip Wood embodies all these qualities. I wholeheartedly endorse his candidacy and encourage the people of Corinth to join me in supporting a leader who will put your community first.

Sincerely,
